“O Prophet, We have sent you as a witness, a deliverer of good news, a warner; a caller to God by His permission and as a beacon of light.”
[Al-Ahzab: 45-46]

10:05-11:00

وَجَعَلْنَا مِنْهُمْ أُمَّةً يَهْدُونَ بِأَمْرِنَا لَمَّا صَبَرُوا وَكَانُوا بِآيَاتِنَا يُوقِنُونَ

“And We made from among them leaders, giving guidance under Our Command, when they were patient and used to believe with certainty in Our Signs” [Al-Sajdah: 24]

11:00-11:15 SESSION OF PRAYERS UPON THE BELOVED PROPHET

PANEL: HOW CAN WE MAKE TIMES OF CRISIS DA'WA & GROWTH OPPORTUNITIES FOR OUR COMMUNITY?

11:15-12:15

Within the tumultuous landscape of today's world, where global conflicts and geopolitical tensions dominate the headlines, Muslim families in the West find themselves at the intersection of faith and the trials of the modern age. Our unity and solidarity should empower us to make a real difference in our neighborhoods, local communities, nations, and the world. And those pursuits are worthy of our time and attention. Thankfully, programs like the Beloved Seerah Conference stand out as a beacon of light to help educate, raise awareness and dispel any misconceptions about Islam and Muslims.

12:15-12:30 SESSION OF PRAYERS UPON THE BELOVED PROPHET

PANEL: GENERATIONAL TRAUMA & ITS IMPACT ON MUSLIM FAMILIES

إِنَّ مَعَ الْعُسْرِ يُسْرًا

"Indeed, with hardship comes ease." [Surah Ash-Sharh 94:5-6]

The way we raise our children can vary depending on many factors. Our own upbringing, cultural background, education, and region in which we live can all contribute to our parenting style. But did you know that generational trauma may also play a role? In fact, some experts argue that generational trauma is embedded into our very genetic material, and may influence our parenting. With islamophobia running rampant worldwide and many Muslim families fleeing from countries that have been invaded, colonized, and destabilized, we should be aware of the impacts that trauma can potentially have on our future generations and work to counter its negative effects.

12:30-1:30

1:30-3:00 DUHR - LUNCH BREAK - DR. MARWA ASSAR & IMAM KHALID BOOK SIGNINGS

LECTURE: UNDER ALLAH'S SHADE: PROPHETIC ADVICES TO THE YOUTH

2:00-3:00

How can youth keep up with their Deen and Muslim identity in a time that is full of distractions and challenges? How can they continue their Islam as adults after graduation? How can they handle finances and build their families? How can they contribute to the growth of the Muslim community? High school students, college students and young professionals are all welcome to join this session with Mufti Kamani.

SPECIAL
SESSION

LECTURE: A TURMOIL, BUT A STRUGGLE FOR FREEDOM, JUSTICE & PEACE

لَقَدْ خَلَقْنَا الْإِنْسَانَ فِي كَبَدٍ

"Indeed, We have created humankind in constant struggle." [Al-Tin: 4]

Why this is happening to the Ummah of the Beloved Prophet (peace be upon him)? Are we witnessing a turmoil, or is it the end of world? How do we understand what's going in Syria, in Egypt, in Sudan, in Afghanistan, in Yamen, ... and lately in Gaza / Palestine? It's a struggle for freedom, justice and peace, not a turmoil as many of us may think. Join this panel to learn how.

3:00-4:00

LECTURE: INJUSTICE, OPPRESSION, SKEPTICISM, DOUBLE STANDARDS,... HOW DOES THE PROPHETIC MODEL GUIDE US TO DEAL WITH IT ALL?

4:00-4:50

Lots of us watch in shock, horror and anger the ongoing attacks on Gaza/Palestine. The killing of any civilian is wrong and is condemned and must be stopped immediately. This is something made clear in Islam as well as in international laws. Our beloved Prophet (peace be upon him) teaches us how turning to Allah in times of distress must be coupled with personal responsibility in all things. So, what can we all do for Gaza or for the oppressed in general?

FOLLOWED BY MAGHRIB PRAYER

كُنْتُمْ خَيْرَ أُمَّةٍ أُخْرِجَتْ لِلنَّاسِ تَأْمُرُونَ بِالْمَعْرُوفِ وَتَنْهَوْنَ عَنِ الْمُنْكَرِ وَتُؤْمِنُونَ بِاللَّهِ

6:00-7:00

"You are the best of peoples ever raised up for mankind; you enjoin what is right forbid what is wrong, and you believe in God." [al-Imran: 110]
Our Ummah is charged with the same mission as our beloved Prophet was. Our mission is the same as his - witnessing the Truth. If we as an Ummah properly fulfill our duty of witnessing the Truth, yet the people around us do not pay heed, we as an Ummah will be rewarded by Allah because we tried our utmost best. However, if we as an Ummah neglect our duties or give false witness, we will deserve to be punished more severely than others. We as an Ummah shall be accountable not only for our own misdeeds, but also for the misdeeds of those who went astray because the testimony given to them by us was misleading or false.
